

# The Dazzle of Hong Kong Meets The Splendor of Japan.

Hong Kong is reveling in its preeminent position as Asia's cultural and culinary capital. The vast spectacle of Hong Kong's breathtaking natural setting and soul-stirring skylines only enhance the amazing, ever-evolving drama of the city's vibrant living culture. Hong Kong literally has it all—colorful street markets, world-class boutiques, vast green reserves, peaceful temples, sumptuous cuisine, sophisticated nightlife, an infinite variety of activities and adventures. **The Live It-Love It** city is a must-visit for your clients and an irresistible segue to the splendor of Asia.

Adding Tokyo and Kyoto to your clients' itinerary provides the opportunity for them to contrast and experience both the **Living Culture** of Hong Kong and the unique charms of Japan. Tokyo is not only a wonder-city of the 21st Century, it is a complex, fascinating blend of progress, tradition and cosmopolitan style. Kyoto on the other hand, is the ancient former capital where one can still experience the mystic subtleties of Japan's culture, history and love of nature.

The teaming of Hong Kong, Tokyo and Kyoto presents a charming balance of two distinctive Asian cultures. Our Hong Kong partner, ASIALUXE HOLIDAYS, has created a wonderful package that gives your clients an exciting perspective on Hong Kong and Japan.
